Dear Congresswoman Kelly,

We would like to thank you for providing an opportunity for our fifth grade students on Monday, March 20th, to learn about your experiences in Congress. You personalized the program and provided opportunities for interaction and student responses.

The students were engrossed with the information on how a bill becomes a law. They were eager to continue discussions in the classroom after your presentation.

On behalf of the Van Cortlandtville Elementary School community, we appreciated your visit and thank you for including us in your busy schedule.

Sincerely,

Jacqueline Figueroa
